

US 5: Changing order of tasks

Feature Title	Changing order of tasks
Location	Task Management
Description	As a <i>user</i> , I want to <i>change the order of tasks in a directory</i> so that <i>I can arrange them according to priority or workflow</i> .
<u>Acceptance Criteria</u>	<p>(1) All tasks in the "Tasks" table have an order, identified by the numerical value in the "Sequence Number" column.</p> <p>(2) The order of tasks (i.e., their sequence number) can be changed by using buttons, as outlined below.</p> <p>(3) Button Controls:</p> <p>(3.1) Selecting a single task via checkbox reveals a button with an "Arrow-up" icon and a button with an "Arrow-down" icon.</p> <p>(3.2) Clicking the "Arrow-up" button moves the task one position up.</p> <p>(3.3) Clicking the "Arrow-down" button moves the task one position down.</p> <p>(3.4) The checkbox selection remains after using the buttons.</p> <p>(4) Edge Cases:</p> <p>(4.1) When multiple tasks are selected, the arrow buttons are hidden.</p> <p>(4.2) When the first task is selected, the "Arrow-up" button is disabled.</p> <p>(4.3) When the last task is selected, the "Arrow-down" button is disabled.</p>
