

US 1: Adding a new aircraft

Feature Title	Aircrafts - Add a new aircraft
Location	Aircrafts
Description	<i>As a fleet manager, I want to add new aircrafts with their basic details so that they are properly registered and can be tracked in the system.</i>
<u>Acceptance Criteria</u>	<ul style="list-style-type: none">(1) The page displays an "Add new aircraft" button.(2) Clicking the button opens the "Add new aircraft" modal.(3) The modal contains input fields for "Name" and "MSN", a "Manufacturer" dropdown, a "Description" text area, a "Save" button, and a "Cancel" button.(4) The fields "Name", "MSN", "Manufacturer", and "Description" are required.(5) The "Manufacturer" dropdown contains all manufacturers stored in the system.(6) Clicking "Cancel" closes the modal without saving.(7) Clicking "Save" triggers validation.(8) If a required field is empty, the validation message "This field is required." for that field should be shown.(9) If all fields are valid, the aircraft is added, the modal closes, and the user is redirected to the new aircraft detail page.
